

ADAMS MEMORIAL LIBRARY VIDEO PERMISSION FORM

Videocassettes and DVDs may be borrowed upon the presentation of a valid **ADAMS LIBRARY** card and completion of this video registration form. Video and DVD privileges are non-transferable: the card owner must be present when the materials are borrowed.

Entertainment videos and DVDs may be borrowed for one week, non-fiction videos and DVDs may be borrowed for three weeks. There is a limit of three videos or DVDs per person. The overdue charge is \$.50 per day, per item.

All videos and DVDs must be returned to our library during open hours and not left in the bookdrop.

In return for the privilege of borrowing videos and DVDs, I understand that I am responsible for returning the materials on time and in good condition. I also understand that I am responsible for paying overdue fines, damages, or losses, I will notify the library staff of any problems with videos and or DVDs.

As a parent or legal guardian, my authorized signature allows my child to borrow videos and/or DVDs, and indicates that I will be responsible for all costs and fines incurred by my child.

The Adams Library staff will not restrict borrowing on the basis of material content. According to RI Public Library Standards, a parent or guardian is responsible for the selection of materials for his or her child. State privacy law and library policy provide confidentiality of materials charged to a library patron's card until the materials become overdue.
